Chairman DAR-E-ARQAM Foundation

Prof. Dr. Muddassir Ahmad

One question always arises in my mind: *What is the future of Pakistan and Islam?* We must remember that the future of Pakistan—and indeed the future of Islam—lies in our new generation. They are the ones who will bring change and present the true identity of our nation to the world by setting harmonious examples in the light of Islamic teachings. They will unveil every hidden aspect of Islam and remove the harmful effects of propaganda against it.

This very idea compelled us to establish this institution. While introducing my institution, it is this vision—more than myself—that speaks to you.

Our institution is named **DAR-E-ARQAM**, inspired by the very first Islamic center of learning established by the Holy Prophet Muhammad (S.A.W.) at the house of Hazrat Arqam (R.A.), at the foot of Mount Safa in Makkah.

We are ambitious in our mission to produce strong, successful, modern, and energetic individuals—proud Muslims as well as Pakistanis. In our school system, you will secure not only the prosperous future of your child, but also the future of Pakistan and the future of Islam.

Director's Message

Divisional Director Faisalabad

Dr. Abdullah Muddassir

At **DAR-E-ARQAM SCHOOLS** Faisalabad, we take immense pride in being more than just an educational institution —we are a brand that is deeply committed to the betterment of our society and the holistic development of our students.

Our mission is to nurture future leaders who are not only academically proficient but also morally grounded and socially responsible. We believe that education is the cornerstone of a prosperous society. That's why we focus on providing an environment where students are encouraged to excel academically, think critically, and act ethically.

Our dedicated faculty and staff work tirelessly to ensure that each student receives the individual attention and support they need to reach their full potential. We are driven by a passion for excellence and a commitment to making a positive impact on our community.

By instilling values of integrity, compassion, and responsibility, we aim to shape well-rounded individuals who will contribute meaningfully to society.

Join us at Dar-e-Arqam Schools Faisalabad, where we work hand-in-hand with parents and the community to build a brighter future for our children and our society.

Introduction

Being submissive and humble to the will of Almighty ALLAH, we relate this institution to the very first educational center of Islam, **DAR-E-ARQAM** established at Hazrat Arqam Bin Arqam's house in the plains of Koh-e-Safa by Hazrat Muhammad (S.A.W). This was 571 A.D when Prophet Muhammad (S.A.W) gets his believers gathered in a small house and laid the foundation of rich civilization that produced marvelous human role model and blessings. Contrary to the present detrimental system of education based on aimless, materialistic and secular approach.

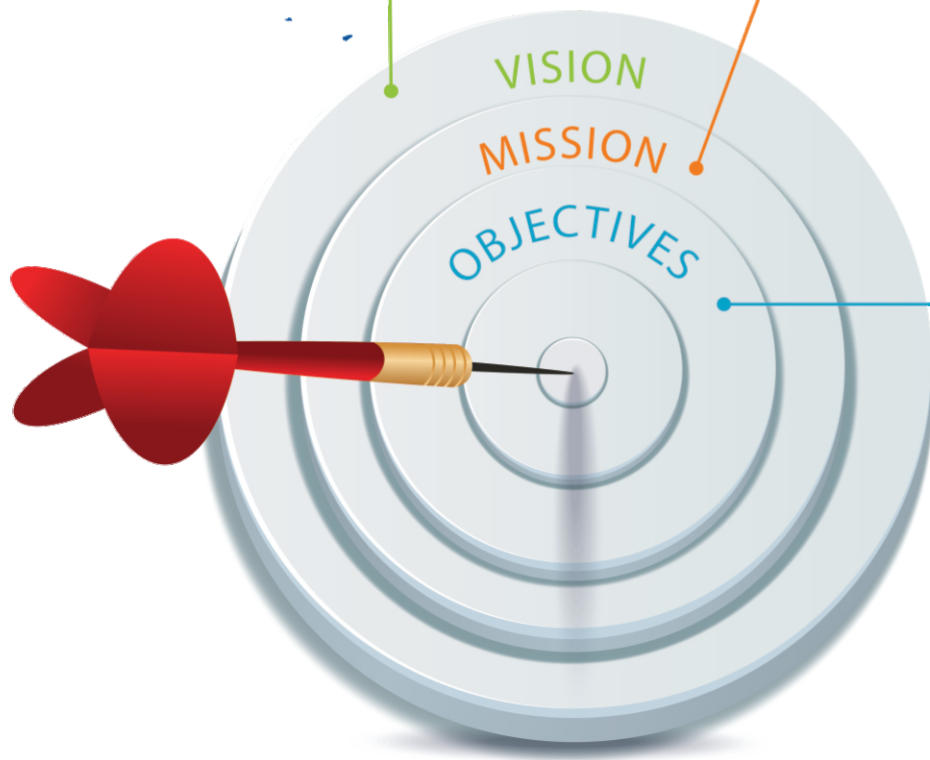

The edifice of **DAR-E-ARQAM** System of education is constructed with the bricks, stones and cement of Faith, Sincerity and Sublime Aims and is enhanced by active modern scientific ideas about education to equip the innocent saplings of the future tree, with the latest branches of learning so that they can converse with the teachings of the Holy Quran and Sunnah side by side with the modern education, and when grown up can raise the status of **"UMMAH"** and take them out of the abyss of meanness.

Dar-e-Arqam A Historical Perspective

DAR-E-ARQAM was the first ever Alma Mater of vision and wisdom established at the house of an esteemed companion of the Holy Prophet (PBUH) named Hazrat Arqam (R.A). This first center of scholarship and erudition produced towering personalities who were the practical exponents of Islamic ideals and precepts as enshrined in the Holy Quran as well as the Sunnah of the Holy Prophet (PBUH). They epitomized the cardinal vision of Islam which lifted them from the ridiculous to the sublime. To mark the continuity of that great and glorious educational center, this institution has been named as **DAR-E-ARQAM SCHOOLS**.

The management of **DAR-E-ARQAM** has taken revolutionary steps to centralize the network of its esteemed institutions throughout the Pakistan to achieve lofty objectives of academic excellence and perfection to awaken the competitive spirit among the students, and to establish a uniform framework of education. More than **750 branches** have been established with **300,000 students** in Pakistan untill now.

Islamic Education

DAR-E-ARQAM SCHOOLS offer a unique system of training to educate the students on Islamic principles. The students learn hadith, Quranic and Masnoon Prayers according to their age and class. The crowning glory of our system is that we provide them sound religious orientation untainted any sectarian brainwashing and religious indoctrination.

Character & Personality Development

People harbour gloomy apprehensions that modern education is making the rising generation arrogant, rude and selfish. Dar-e-Arqam Schools are inculcating a sound sense of filial affection and duty in the students towards their parents.

Innovative Teaching Methods

Employing experienced teachers from diverse educational backgrounds, often with international teaching experience, capable of understanding and appreciating various perspectives who will apply innovative teaching methods and technology to enhance learning experiences, fostering critical thinking, creativity, and problem-solving skills.

Computer Education

There is no denying the fact that modern age is an age of science and information technology. The epoch-making scientific innovations and discoveries have brought about revolutionary changes in all segments of society. To enable the students to join it, Dar-e-Arqam Schools have made computer education compulsory for all the classes. Theoretical and practical education of computer under the supervision of competent teachers is the specialty of Dar-e-Arqam.

Career Counseling

Career counseling is the basic need of a person. Dar-e-Arqam arranges career counseling session for the students interests according to the needs of the students.

Parental Involvement

Fostering active parental engagement, our school organizes workshops, seminars, and family events, promoting a strong partnership that strengthens Islamic values within families and nurtures a supportive community between parents, teachers, and students.

Literary Competitions

Dar-e-Arqam Schools prepare its scholars to compete the requirements of modern era. To achieve this objective we arrange English & Urdu Speech, Debate, Qirat, Naat, Quiz, English and Urdu Essay Writing, Handwriting and Art & Craft competitions from the grass root level. In these competitions boys and girls of class Pre Nursery to Ten and Hifz-e-Quran participate.

Curriculum Development Wing

The Curriculum Department designs, updates, and refines the academic content taught across all grades. It ensures that the syllabus meets both national standards and modern educational needs. The wing also develops lesson plans, teaching aids, and assessments for effective learning.

Science And Technology Wing

The Science & Technology Wing promotes modern scientific learning and digital skills. It introduces students to practical experiments, robotics, and computer education. This wing equips learners with critical thinking, innovation, and technological competence for the future.

Publications

Dar-e-Arqam Publications has been devised to publish syllabus and general knowledge books, work books, activity books, school diary and school note books.

Teachers Training

We at Dar-e-Arqam not only develop the qualities of confidence, courage, hard work & respect for humanity among the students but we also enlighten our teachers & faculty with all the modern training. Qualified teachers selected on merit necessarily go through a continuous training. Our training programs cover the professional, technical and academic aspects of the teachers and their spiritual and moral needs as well.

Effective Parenting Workshops

Education and character building of a child is incomplete until the parents do not take part in their child's development & progress. Special Effective Parenting Workshops are arranged so that the parents can participate in the successful development of their child.

Monitoring & Inspections

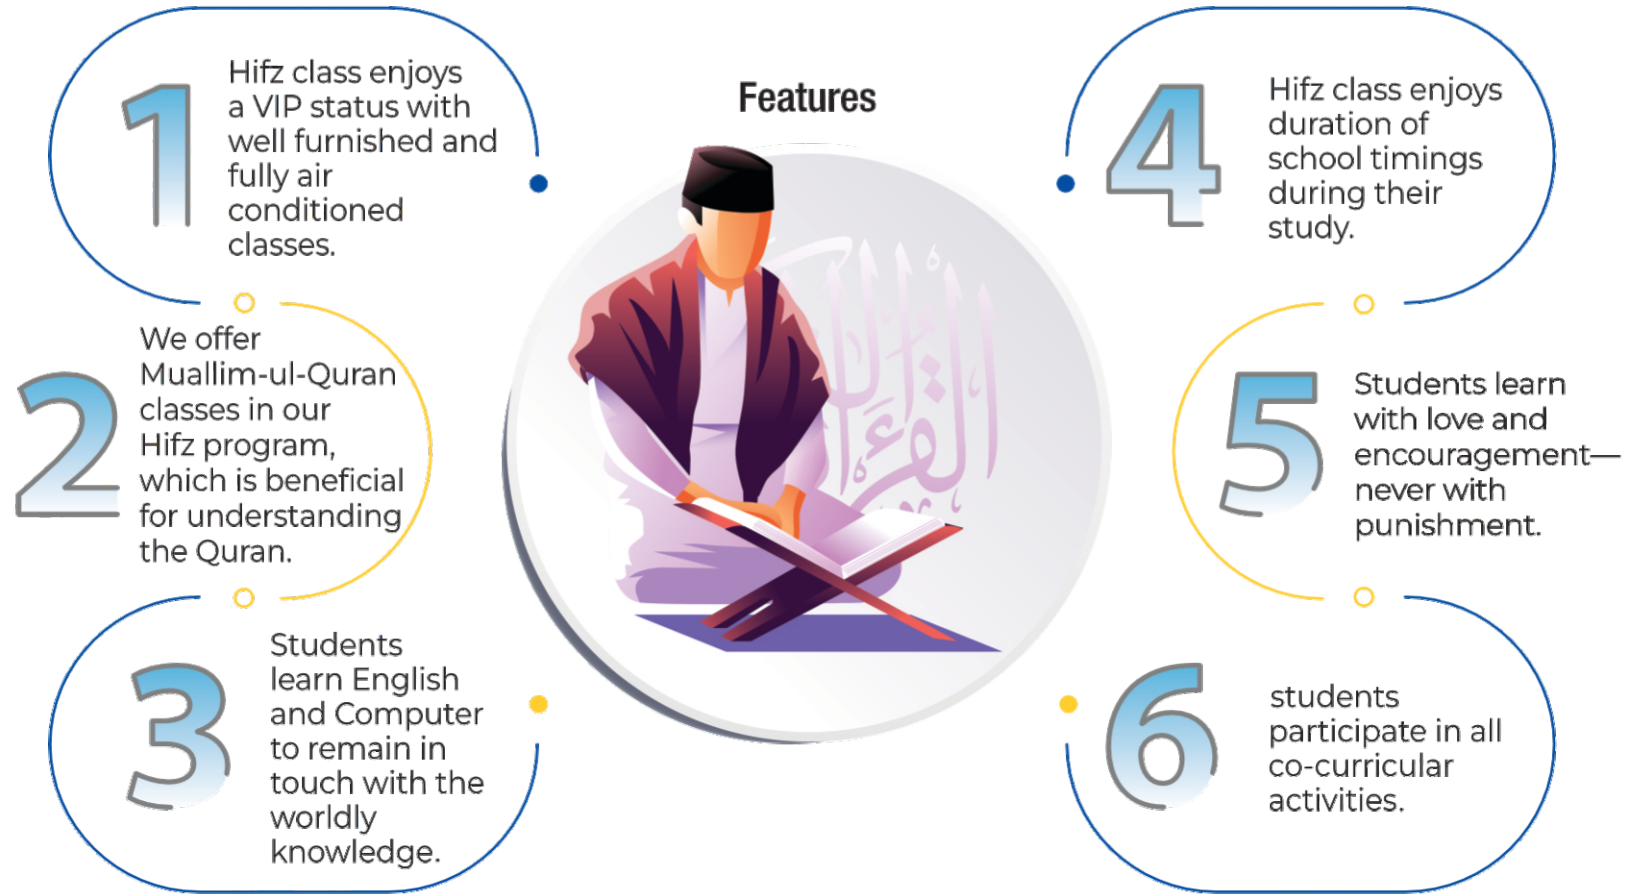

The improvement in educational system needs check and balance. Continuous inspection at grass root level maintains the improvement which is a common practice at Dar-e-Arqam schools. Inspection teams visit the campuses time to time for this purpose.

encourage our
children to do this.

One of **Dar-e-Arqam's** unique features is offering Hifz-e-Qur'an with a VVIP status in school. Students not only memorize but also gain understanding of the Qur'an. **Dar-e-Arqam** is pioneer in combining Hifz with modern education within the same institution, nurturing both faith and knowledge. This integrated approach builds strong character rooted in Islamic values. It also prepares our students to excel in both religious and worldly fields simultaneously.

Nazra Quran

DAR-E-ARQAM have made special arrangements for introducing Nazra Quran simultaneously with general education. It would save parents from a lot of physical and financial trouble they undergo for the basic religious education of their children.

Outing and Educational Trips

Education doesn't mean to be confined to school and class room atmosphere. That's why Dar-e-Arqam manages outing and educational trips for students of each class, keeping in view their age, interest and environment.

Co-curricular Activities

Academic qualifications are vital for making an impressive personality and co-curricular activities play an important role in the making of a well-balanced personality. Dar-e-Arqam Schools organize different co-curricular activities

Youth Camps

Dar-e-Arqam has planned to train the youth for the promotion and preaching of Islamic Values & Culture. In these camps, students stay three or more days to develop their self-discipline, spirit of social work and team building, in a volunteer environment.

Leadership Development Program

The Dar-e-Arqam Schools Faisalabad Leadership Development Program (Grades 6-8 and Hifz) shapes confident, value-driven leaders through a Qur'an-centered approach. Students develop communication, teamwork, problem-solving, and ethical decision-making skills via workshops, house activities, and service projects rooted in khidmat-e-khalq. Hifz learners receive integrated training in tahzib, adab, and the Prophetic model of amanah, blending memorization discipline with practical leadership. Mentorship, student councils, and public-speaking forums equip them to lead with faith, integrity, and purpose.

Dar-e-Arqam organizes four-day Tarbiyah-oriented Youth Camps in hilly areas. These camps are designed to nurture leadership, teamwork, and self-confidence in students. They provide spiritual training along with physical and mental development in a refreshing environment.

Examinations are devised and carefully conducted to the mutual benefits of pupils and staff and the results are punctually entered in the students' individual progress report. Dar-e-Arqam conducts the following examinations in a year
